PROJECTS

Dinner with Developers

<https://github.com/mkolek1015/Group-Project-1>

<https://mkolek1015.github.io/Group-Project-1/>

SEPTEMBER 2020

Created a dinner planning app which allows a user to search for recipes and wine pairings based upon a choice of cuisine, food type, dietary restrictions and generates a wine pairing. My role was creating the foundation and webpages, and using HTML, CSS and JQuery to display the outcome of our API calls.
